Zodiac Charts

By S. Ann Ran 4 in x 4 in gauge: 20 sts by 24 rows on #9s

The twelve Zodiac signs used by Andrew Hussie for the Homestuck trolls in a smaller chart for people to use on smaller projects. All charts are 30 sts by 36 rows and the image is centered on that chart; the idea was that all the charts would be needed, and to have them in relation to each other. The images used were sourced from Wikipedia. Using suggested gauge, each chart is 6 inches by 6 inches.
